BUY A BRICK

HELP BUILD WILSON CITY PARK

Become a part of this historic new city park Forever!

“We hope that you, your family and friends will want to be a part of something special that will last for many years.”
- Board of Directors – Wilson PRIDE, Inc.

Engraved Brick with *Your own Personal Message*

Our new city park needs your help! To help pay for the completion of the new city park, we are asking you to buy a brick! These bricks will be used in a special walkway so that, in the years to come, you will be able to bring your children and grandchildren to the “Walkway” to see your name and their names as a permanent legacy of the Wilson City Park. You will be able to create your own message or choose from selected designs for your brick(s). These specially engraved, decorative bricks will be used not only throughout the “Walkway,” but at various other places around the “Walkway.” Everyone is invited to buy a brick, either for you or for someone else, to commemorate special occasions, or to honor or remember a special loved one. What a great way to be remembered and to acknowledge special occasions such as the birth of a child, baptisms, weddings and graduations!

Just **\$50** for a 4” x 8” and **\$100** for an 8” x 8” – the price is for a brick with or without clipart.

Brick Details

The bricks are 4” x 8” x 2 ¼” or 8” x 8” x 2 ¼” and are engraved using state of the art laser technology. This will insure strength and durability for many years to come.

Mini Brick Replica!

In addition, we offer you the opportunity to purchase a miniature replica of the original. This mini brick can be used as a paperweight, given to a loved one or friend as a remembrance, or just as an everyday reminder! The mini bricks for the 4” x 8” are 1 ½” x 3” x 5/8” and the 8” x 8” are 3” x 3” 5/8”.

Just \$12 for a 4 x 8 replica and \$15 for an 8 x 8 replica!

Deadlines and Info

December 31, 2008, was the closing date for Phase 1. However, this is an on-going campaign. Orders will be accepted throughout the year, but can only be processed in lots of 100 or more bricks. Since we are expecting a large response, please do not wait until the last minute to place your order. We need to prepare each order for the vendor to insure accuracy, and too many last minute orders can hold up the process. Our goal is to have the bricks delivered and ready to start installing by March, 2009!
